Alen Bahret, President And Executive Board Members Lane Community College Employees Federation AFT Local 2417 PO BOX 7275 Springfield, Oregon 97477

Dear Mr. Baldwin and Board Members:

I have reviewed the accompanying statement of financial position arising from transactions of Lane Community College Employees Federation (LCCEF), AFT 2417, as of December 31, 2016 and 2015 and the related statement of changes in net assets for the fiscal year then ended. These financial statements are the responsibility of the officers and executive board of Local 2417.

My review consisted of inquiries of the organization's officers and analytical procedures applied to the financial data. Based on my review, I am not aware of any material modifications that should be made to the financial statements referred to above. This letter summarizes my findings and recommendations.

REVIEW OF INTERNAL CONTROLS

My review of the Local's financial documents revealed certain reportable conditions, which are significant deficiencies in the design or operation of the internal control process for financial matters. These deficiencies could adversely affect the organization's ability to record, process, summarize, and report financial data.

Cash Receipts

Several Dues Deduction checks were deposited 1 to 2 months after the check date. Since the delay was due to the Treasurer's authorized absence, I recommend LCCEF implement procedures to permit backup personnel (i.e., designated member of Audit Committee) to deposit checks in the Treasurer's absence. The backup personnel should log all checks deposited and make copies of the checks and deposit slips. A copy of the log and documentation should be provided to the Treasurer.

The American Federation of Teachers is a union of professionals that champions fairness; democracy; economic opportunity; and high-quality public education, healthcare and public services for our students, their families and our communities. We are committed to advancing these principles through community engagement, organizing, collective bargaining and political activism, and especially through the work our members do.

Cash Flow

LCCEF had annual net revenue of \$1,217 and \$4,587 in 2016 and 2015, respectively. While the net revenue amount only represents activity for a one year period, LCCEF should monitor expenses to ensure net revenues do not become net deficits. It should be noted that LCCEF had bank account balances totaling \$119,448 and \$170,451 in 2016 and 2015. Annual deficits, should they occur, would erode those bank balances over time.

IRS 990

AFT Financial Services prepared an extension request for the 2016 IRS 990 report. LCCEF's return would typically be due on May 15th; however, extensions can be filed to extend that date for a six month period. The IRS 990 return and required schedules will be prepared by AFT and submitted to you for review and mailing. I recommend that you send the return via certified mail with return receipt.

CONCLUSION

Other than the matters mentioned above, I found the financial records and internal controls to be in good condition. In order to improve the record keeping and internal controls, please implement the recommendation included in this letter. These changes will help assure fiduciary accountability on behalf of your members.

I am not independent of Lane Community College Employees Federation, AFT Local 2417.
